Met Office Aberdeen Meteorologist's View
Moderate UV levels in the afternoon despite rather cloudy conditions. Note a risk of thunderstorms, especially early afternoon.

Forecast for Tuesday 06 Jul 2021
Weather: Cloudy with showery outbreaks of rain. This likely to persist for much of the day with showers turning heavier towards midday and in the afternoon, perhaps a slight risk of thunder, but some brighter spells too. Rain becomes lighter in the evening.

Maximum wind: Light and variable becoming West or Southwest 10 mph.

Chance of cloud free mountain/hill tops above 800m: 10% early morning, improving to 80% by midday.

Visibility: Generally poor at first with cloud extensive above 600-700m early morning. Becoming good through the morning with cloud bases likely to rise above the summits.

Temperature: **Glens:** Plus 13 Celsius rising to 16 Celsius.
At 800m: Plus 8 Celsius rising to 11 Celsius.
Freezing level: Above the summits.
